

NRCA Annual Meeting—March 20th

NRCA will hold its annual meeting on March 20th at the Ramada Inn in Kearney. While part of our meeting is the customary business meeting, the business of the association is typically light.

Included in our meeting will be reports on the financial condition of the association, scholarship activities, vehicle titling, legislative and our 2010 Tour Nebraska event. We will also hold elections including the election of our area representatives as the operating board of directors.

Come early for the social period with a cash bar starting at 5:30. It will be a great time to catch up on what's been happening with old friends. The dinner (buffet) is at 6:30 followed by a report to the membership by your President, Gary Hedman and any other business of the association.

Our guest speaker for the evening will be Bruce Younglove who is one of the founders of the Sandhills Open

Road Race Challenge held in Arnold. This event started in 2001 and is one of a handful of similar events in the nation. The event has experienced great success and growth and has contributed over \$200,000 back to the town of Arnold. The race is run over a 55 mile stretch of road which is shut down for the race. Tour Nebraska for 2010 will make a stop in Arnold and will travel over those same 55 miles.

The banquet tickets are \$15 each and this is less than the actual cost to NRCA. Our room can hold about 120 and we very much would like to sell it out. You must pre-register for the meeting just like Tour Nebraska. The motel will only prepare food for the numbers we give them. We hope you can understand that and will send your check in early to reserve your seat.

Tickets will not be mailed out to you but rather you will pick them up

that evening. Deadline for ordering tickets is March 15th — make sure we receive your order by then— we hope to see you at the annual meeting.

Ballot

Each position is for two years.

Officers

- President—Gary Hedman
- Vice President—Rod Phelps
- Treasurer—Dan Graves
- Secretary—Gary Garnick

Board member

- Jim Pucket
