

## O'Reilly's Hot Rod Supernationals Work Schedule Sign up

NRCA is allowed a maximum of 30 volunteers to work at the event. Each will receive a complimentary entry/pass to the event. You will receive a "host club" event shirt and a dash placque. An entry goody bag - potentially as well.

Each NRCA member worker will be required to wear a NRCA golf shirt while working. The cost to you is \$20 which is not the full cost, the remainder will be paid by NRCA. If you already have a shirt - you do not need to purchase another. We have a minimum of 44 work slots to fill - you will need to sign up for more than one to be eligible. You can sign up to work as many slots as you want to--NRCA will make assignments as it best fits and advise you. The number of people scheduled for registration should allow shifts -so you would not have to work the entire time but, you will need to be available to work during the entire period of time. An NRCA Director will act as a crew leader for each function. Volunteers will be expected to advance the image of NRCA during work periods.
